* Combined Science is a double award. Therefore % achieving 4 or greater is percentage achieving a 4 or greater in both GCSE Science qualifications (i.e. 4-4 or greater)

& The progress 8 score is generated using 4Matrix 'Share and Compare' progress data, and so the Progress 8 score is an estimate. This will be updated when official figures are released.

- **** *Figures with no brackets represent the students on roll at the Arnewood School. Figures in brackets represent the grades attained by students who studied on the Arnewood School site.*
- \$** *These qualifications are vocational and not graded on the 9-1 scale. DfE equivalent points have been used to generate these percentages.*
- ^** *This figure is the average grade students attained in the 5 English Baccalaureate subjects (English, Maths, Science, Humanity (Geography or History) and a Language. As not all students are entered into the English Baccalaureate, this figure will be lower than the Average Point Score for the school.*
