

MY NEW ADVENTURE: MOVING TO ARNEWOOD SCHOOL

A NEW BEGINNING

Soon, I will be moving from my junior school to a new school called Arnewood School. This is a big step, and it's okay to feel, excited, nervous or even unsure. Lots of other children will feel the same.

A BIGGER SCHOOL

My new school might be bigger than my current one. There will be more students, more classrooms and more teachers. That's okay! I will learn where everything is, and there will be lots of people to help me.

NEW TEACHERS AND STAFF

At Arnewood School, I will have different teachers for different subjects and I will move to different classrooms for my lessons. My teachers will help me learn and feel safe. There will also be Learning Support Assistants and my Year 7 Pastoral Team who can help me if I need it.

MY TIMETABLE

I will have a timetable that tells me what lessons I have and where to go. It might look confusing at first, but I will get used to it. I can ask for help if I'm not sure where to go.

WEARING A UNIFORM

I will wear a new school uniform. This helps everyone feel part of the school. I can get it ready the night before so I feel calm in the morning.

MAKING NEW FRIENDS

There will be new people to meet. I can say “hello”
and smile. I don’t have to make friends all at once.
Friendships take time, and that’s okay.

BREAK & LUNCHTIME

I will have breaktime and lunch just like in junior school. I can bring in a packed lunch or buy lunch from the school canteen. There will be places to sit and eat and staff to help if I need it.

GETTING HELP

If I feel worried, confused or upset, I can talk to a teacher, my year team, a Learning support assistant or someone I trust.

It's ok to ask for help

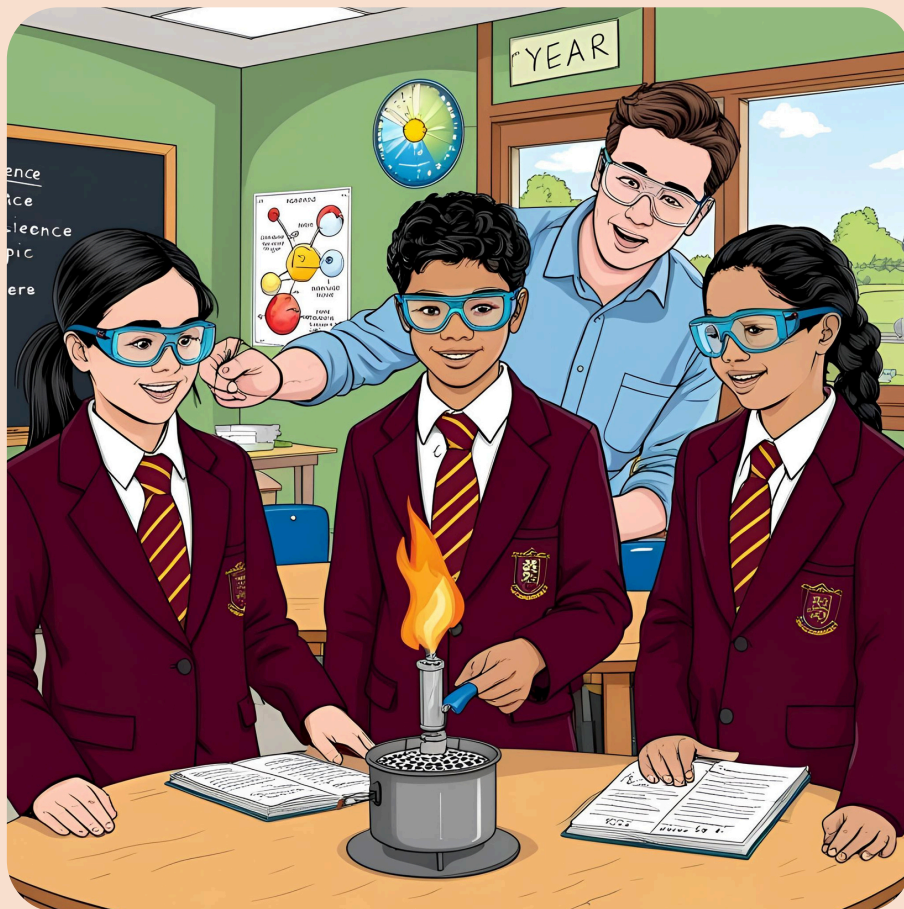

LEARNING NEW THINGS

I will learn lots of new things like science, art and technology.

Some things might be tricky, but I will try my best.

My teachers will help me.

I CAN DO THIS!

Moving to secondary school is a big change, but I am ready.

I am strong, smart and brave!

I will learn, grow and have fun in my new school!
