

## Arnewood Sixth – Dress Code

At Arnewood Sixth we maintain a smart/casual dress code. This is to promote a positive and respectable image of the school and our students.

The Sixth Form has its own separate identity but is also part of our school community. Sixth Form students are not expected to wear a school uniform; however, they must recognise their status and responsibility within our school community and support and enhance our ethos through their appearance.

The Sixth Form Dress code is intended to give students guidance as to what is an appropriate manner of dress.
