I would like to thank you for your interest in the role of Teacher of Maths at The Arnewood School, part of Bourne Education Trust (BET). As a Trust, we believe in shared values and culture, but all of our schools have a distinct identity which is reflected in their curriculum and teaching approaches. We firmly reject a 'one size fits all' approach but instead work on sharing our best practice and ideas with one another. This year our Trust-wide priorities are around digital technology, environmental sustainability and social justice; our staff have numerous ways to interact with these. You can read our Trust strategic plan [here](#).

Our schools have their own budgets along with stable and dedicated teams that are highly talented and committed, not only to academic progress and achievement, but also to equipping our pupils with the skills they need to succeed in finding purpose and joy in their lives.
